DRIVEN BY KEY GLOBAL TRENDS

Current Leaders focus on meetings but lack integrated earning models.

Meet360 enters at the **perfect time** – combining seamless conferencing with **powerful** monetization.

Meet360
enters at the
perfect time

- ✓ Seamless Video Conferencing
- ✓ Smart User Experience
- ✓ Secure Communication
- ✓ Built-in Monetization Opportunities
- ✓ Global Scalability

Combining seamless conferencing with powerful monetization.

Meet360 combines modern communication with a rewarding ecosystem – positioning itself in one of the **fastest-growing digital markets**.

Limitations of Traditional Video Conferencing Experience

High Subscription Costs
Users bear recurring costs with limited earning potential.

No Rewards for Engagement
Engagement, referrals, and participation go unrewarded.

Complex & Security Concerns
Difficult setups, security issues, and low user retention.

Missed Opportunity
Users spend hours in meetings but earn nothing.

Few Affiliate & Marketing Incentives
Affiliates and marketers lack built-in tools and rewards to grow.

RESULT

Users are passive consumers instead of active earners and community builders.

Meet360
